

## 2013 Pinot Rosé (Sustainable) Marlborough New Zealand

### Harvest & Winemaker's notes:

This Rosé was inspired by David's long stint working in Corsica and the South of France crafting fresh, clean, crisp and dry salmon pink Rosé. Treated very much as a white wine in the cellar, the focus has been to make a clean, fruit driven dry wine to have as an aperitif or to match lighter cuisine.

### Tasting notes:

An attractive and fresh style of New Zealand Rosé. A mix of red berry and spice are balanced by a clean dry finish. The perfect match for those long, lazy summer days and nights!

SOILS	Clay loam
VINEYARD	Wairau Valley Marlborough
ALCOHOL	13.5%
T.A	6.7
RS	3.35
BRIX	23
PH	3.36
HARVEST DATES	End of March, beginning of April
